27th August 1955] [Sri P. Ramamurthi]

my Party. He was talking about the attitude of the Communist Party and myself towards the Plan frame, and said in that connection that our attitude was something originally and that later on it became something different. I would only like him to refer to our official publications in which we have stated our attitude towards the Plan frame. Unfortunately he did not do so. I expect him in future to do so. Whenever I make any responsible statement to any attitude concerning the Congress Party, I always take care to give official quotations. I do not make statements in an irresponsible way. When I said that Sri T. T. Krishnamachari was slipping away from the original stand, I would have expected him to answer that point straight that it was not so. I have given quotations from the official proceedings of the various bodies to prove my statement. But he did not choose to answer that. I am sorry such a sort of attitude does not help anybody at all. The Leader of the House has agitated for certain causes which we have stated. It is certainly some consolation that on some issues he is able to see eye to eye with us. But, unfortunately, it is a poor consolation. I know that it is Messrs. T. T. Krishnamachari and C. D. Deshmukh who are more powerful with regard to the formulation of the Plan and that it is not Mr. Subramaniam. We have to take note of that."

THE HON. SRI C. SUBRAMANIAM :—" Since the hon. Leader of the Opposition said that I have stated certain things in an irresponsible manner about the Communist Party, I have to say that all the facts have been mentioned about the Communist Party in a responsible manner with some basis about them."

The amendment of hon. Member Sri M. Kalyanasundaram was put and lost.

The amendment of hon. Member Sri N. K. Palanisamy was by leave, withdrawn.

SRI A. RATNAM :—" Sir, the Hon. Leader of the House has neither accepted my amendment nor replied to the demands of the Harijans. Hence, I regret I am not withdrawing my amendment."

The amendment of hon. Member Sri A. Ratnam was put and lost.

The amendment of hon. Member Dr. U. Krishna Rao was put and carried.

The motion as amended was put and carried.

DEPUTY SPEAKER :—" The House will now adjourn and meet again at 11 a.m. on 21st September 1955."

The House then adjourned.
